### **CCC State:**

**Nothing to report**

### **OPEN Show report**

The committee went back to the drawing board to find a different date other than June 22 and could not find one. Belgado did not have dates. At this point, the committee, after much consideration, is passing on having an open show. If we don't have the show, what does that mean for the open program? There is no show for 2019 or end of year awards; but the open program is going to conduct different fundraisers.

What about 2020 – can we book now? We could, but we should wait until the beginning of the year so that we can know the show schedules of other clubs.

Fundraising: See's candy fundraiser is currently ongoing. Profits are going 3 ways – Sun Coast Pinto/7CPHC CCC/7CPHC Open. Extra inventory has been purchased and will be sold at upcoming show.

Denise did hear from one venue that while not ready for this year, would be a consideration for next year. Blue Ribbon Stables.

### **Membership:**

Registration Forms for membership and awards programs are available. Just a reminder - Points don't count until the forms are in. Make sure you get your forms into Denise. Paperwork will also be available at the show. It is also online.

Denise mentioned that she received inquiries from 3 new potential club members.

### **Old Business:**

Janice McDonald is asking for a hardship consideration for not attending the CCC show due to recent surgery. Janice indicated that Rhonda Heiner will be working her hours at the show. The Board will convene after the regular meeting to discuss and get back to Janice.

## **New Business**

Denise Escover – Regarding Letter to reach out for the Public Use Permits – do we still need to do it? It was a general consensus that it is a moot point and can be tabled until next year.

Janice mentioned that she would like to see the club members work on membership. Make it a building year.
